GREETINGS

BEST ENGLISH SCHOOL in THE WORLD

Our school has the outmost patience for students along with the best studying environment

CIJ is at the forefront of English language education in the Philippines. Through the support of all our students and our single-minded devotion to English language education, we have achieved great success.

We consider it as our greatest achievement that we have helped cultivate gifted people who contribute to the development of the world.

We will continue to endeavor through English language education, and through expansion into the field of global communication, to lead the way in bringing people and minds together from all over the world.
